

A friendly reminder

Dear Neighbor,

I noticed your trash carts may have been left out longer than what is allowed by city laws.

As a reminder, carts should be:

- Put out on the street between **6 p.m.** the day before collection and **6 a.m.** the day of collection
- Removed no later than **midnight** the day of collection
- Placed in the street, not the sidewalk

When carts are left out on the street past the collection day, city street sweepers can't complete their routes, which helps keep our neighborhood clean and litter-free. They can also affect safety and parking on our street.

If the size of your carts is not working out for you, they can be changed by calling **866-WM-RECYCLE** or **760-929-9400**. You can also call this number if you have other concerns or questions about the new trash service.

Thanks for helping keep our neighborhood safe and clean.

Your Neighbor
